Sub: Establishment - (Temporary) - Survey & Land Records - Additional Taluk Surveyor Karkal and one Chainman - furthr retention - Proposals.

Ref: G.O. Ms. No. 1466 dated 8-6-1951.

In the G.O. cited above sanction was accorded employment of three additional Taluk Surveyor and three chainman for reduction of arrears of maintenance work in the three taluks of Karkal Udipi and Kasargod.

The additional staff at Karkal joined on 11-7-51 while at Udipi and Kasargod only in October 1951 as suitable hands were not availablle

The Additional Taluk Surveyor, Karkal was in charge of the duties of the Taluk Surveyor also for a period of about 5 months while the latter was employed on special work; As such the arrears of maintenance work could not be reduced appreciably.

As the further retention of the additional staff at Karkal is found quite essential, I request that the Board may be pleased to obtain the orders of the Government for the further retention of the post of one Taluk Surveyor and one chainman for a period of one year from the date of employment.

The statistics of maintenance work justifying the further retention of the additional staff is furnished in the enclosed statement.

Action for the further retention of the Additional staff at Udipi and Kasargod will be taken in due course if found necessary.
